BRIDGES**

Dear Building Bridges Community,

What a journey it's been! We're thrilled to share some exciting updates from our project's first steps ❤️

## **WHEN PLANS CHANGE, CONNECTIONS REMAIN STRONG**

Our Kick-Off Meeting was scheduled for January in the beautiful landscapes of Kells, Ireland. But Mother Nature had other plans though! A severe weather alert meant we could only share warm hellos, capture a precious team photo, and then safely head home.

But here's what we learned:  
nothing can stop determined hearts from connecting!

## **YOUR NEW DIGITAL HOME IS HERE!**

We're beyond excited to announce the launch of [buildingbridgesproject.eu](https://buildingbridgesproject.eu), our warm, welcoming space where families, educators, and communities can discover resources, stories, and hope.

Currently available in English, our website will soon bloom in Italian, German, Romanian, Hungarian, and Dutch... because every family deserves to feel heard in their own language.

## **UNDERSTANDING HEARTS, BUILDING FUTURES**

All our partner organizations have completed their Play, Connect and Learn workshops, intimate gatherings where we listened, learned, and truly understood what families need most. These meetings were moments of genuine connection where parents, guardians, and practitioners shared their hopes, challenges, and dreams.

The insights we've gathered are already shaping our tools and resources to be more meaningful, more supportive, and more empowering for every family we serve.

Keep an eye on our social channels - we'll be sharing these beautiful stories of connection and learning very soon! 📱

## **WHAT'S NEXT?** ✨

The seeds are planted, the foundations are strong, and we're building something beautiful together.

Over the coming months, you'll see:

- Practical toolkits for educators and practitioners
- Resources designed with and for families
- A WhatsApp group that will connect families
- Innovative approaches to family learning

With warmth and gratitude,  
*The Building Bridges Team* ❤️
